

YOU'VE PASSED THE eASSIST COVID-19 CLEANLINESS CERTIFICATION TEST
April 30, 2020

Congratulations!

Dr. Richard Fischer
Richard D Fischer, DDS

Based on your answers to this test, and the best practices recommended by the **Centers for Disease Control & Prevention** (CDC.gov), **American Dental Association** (ADA.org), and the **Occupational Health & Safety Administration** (OSHA.gov), we can confirm that your dental practice is meeting the established standards (as of April 27th, 2020) for cleanliness and sanitation during the COVID-19 crisis. We commend you, as a respected health professional, for protecting your patients, your team, and your community.
